# INNOVATION

## ALONG THE VALUE CHAIN

This year's Regional Development Conference and Dinner is presented by Regional Development South Australia showcasing innovation along the value chain. Join us at the exciting new The Bend Motorsport Park facility to gain insights from global leaders who will share their strategies and success stories. With an economic development lens learn the latest in productivity improvements and technology tools to help improve business profits and the workforce in our regions.

Don't miss out on the Economic Development Masterclass on Day 2 which is being held in partnership with Economic Development Australia. Book now with 1 and 2 day passes available via Eventbrite.
